HOW TO CHANGE FACEBOOK URL

This document is to show people how to change the Facebook URL

FROM THIS → <https://www.facebook.com/groups/6964425145368789/>

TO → <https://www.facebook.com/groups/ABREAKFASTCLUB>

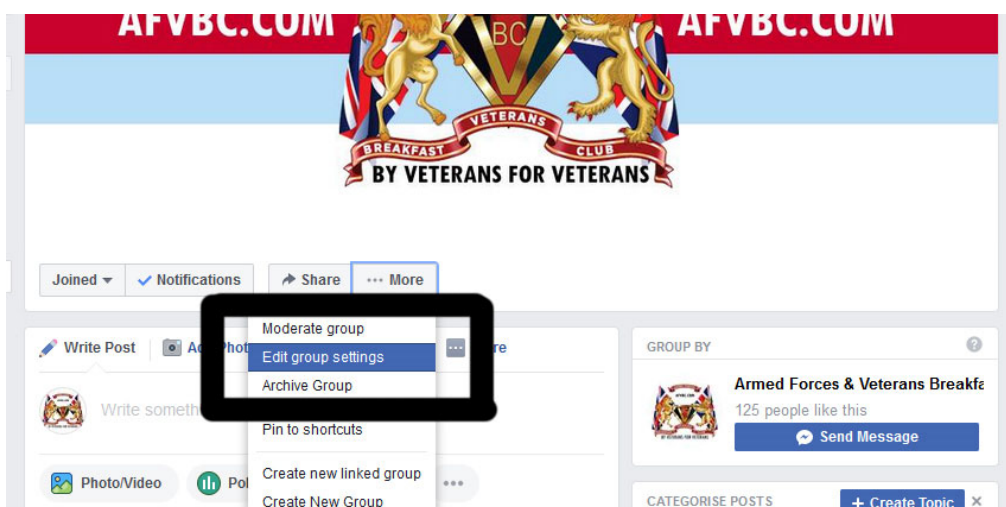

This will make it easier to find and for search engines to list it.

Click on Your Group

1. Click More (just below Banner)

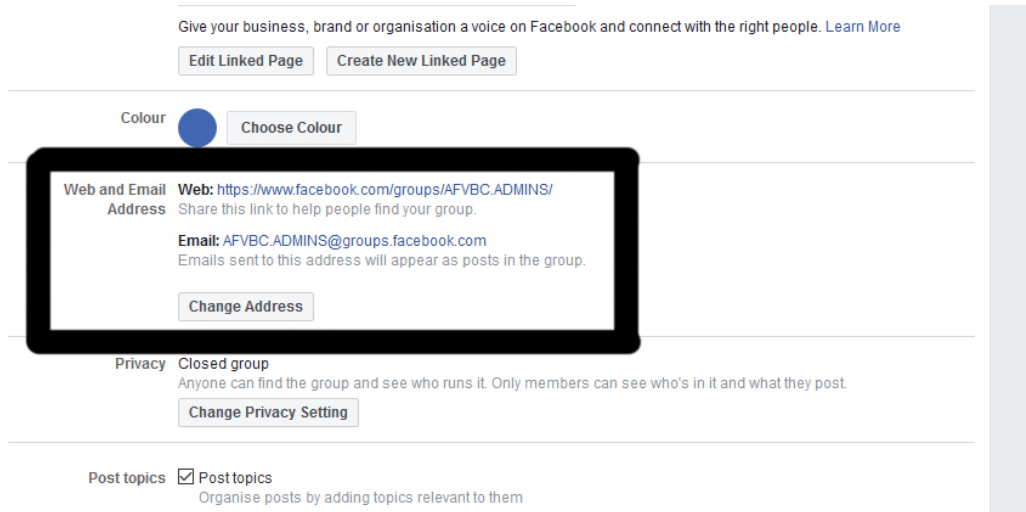

2. Click edit group setting (from dropdown list)

10th November 2018

3. Scroll down page and look for Web and Email Address
4. Click Change Address

5. Enter something friendlier instead of numbers, making sure people will be able to remember it. (such as TownAFVBC, ClubNameAFVBC)
